Important Notice

Notification No: RRC/ER/Act Apprentice/2025-26

RRC/ER/Act-Apprentice/2025-26 (397)

Dated:17.09.2025

In continuation of this office Notification No. RRC/ER/Act Apprentice/2025-26 dated 31.07.2025, it is observed that due to an inadvertent error in the online application, the trade of Refrigeration and AC Mechanic, though one and the same, was reflected with two different nomenclatures. For Howrah, Sealdah and Malda Town the trade appeared as Ref. & AC Mech., whereas for Liluah it appeared as Refrigeration & Air Conditioning.

Owing to this discrepancy in description, applicants were not able to exercise their unit preferences uniformly. As a result, applicants applying under Ref. & AC Mech. could not opt for Liluah, and applicants applying under Refrigeration & Air Conditioning could not opt for Howrah, Sealdah and Malda Town.

To remove this anomaly, it has been decided to provide one additional opportunity to all applicants of the said trade to modify their unit preferences. The applicants will now be able to exercise preference for all four units, namely Howrah, Sealdah, Malda Town and Liluah, in the order of their choice.

The facility for modification of preferences shall remain available from 18.09.2025 to 23.09.2025 (both days inclusive). The list of eligible candidates is being annexed along with this notice. It is further brought to the notice of all concerned candidates that if no choice is exercised within the aforementioned window, the earlier preferences already submitted shall be treated as final and the same will be considered while drawing up the list for document verification.

All other terms and conditions of the Notification dated 31.07.2025 shall remain unchanged.
