

Cancellation of candidature against CEN RRC 01/2019

This is to inform all concerned that the Document Verification (DV) for candidates under CEN RRC-01/2019 was conducted in seven rounds. During the scheduled verification, the candidature of certain individuals remained pending due to non-submission of essential documents, incompleteness of medical/re-medical examination and other procedural deficiencies.

Despite being provided with ample opportunities to fulfill the required formalities, a total of 94 candidates have failed to comply with the stipulated requirements or have been declared unfit in the medical examination.

Accordingly, **the candidature of these 94 candidates is hereby cancelled with immediate effect.** No further representations, appeals, or queries will be entertained by the Railway Recruitment Cell (RRC) in this matter.
